

TECHNICAL RIDER

Technical needs vary depending on the venue and the program being performed. The site coordinator should always check with Kutandara to confirm times, plus what equipment (if any) Kutandara might need to bring to supplement what the venue can supply.

EQUIPMENT

(Kutandara's tech personnel shall have authority over technical adjustments to sound & lighting)

Instrument mics (small diameter condenser, AKG-C-451 or similar)

Horn mics (SM-57 or similar)

Vocal mics (SM-58 or similar)

Direct inputs

Straight stands

Boom stands

Trapset stands

Adequate cabling

Mixer

- 24 channels
- recording feed
- phantom power
- 4 monitor mixes

Adequate snaking for the 24 channels to FOH

Adequate house mains

- graphic equalizers
- compressors

2-4 Floor monitor cabinets

- graphic equalizers
- compressors
